

## **Healthcare Information Technology Career Opportunity!**

**Community Care, Inc.** offers rewarding career opportunities providing services to individuals with developmental and/or intellectual disabilities, mental illness and brain injuries. We have the following position open in DeWitt, Iowa:

- **System Support Coordinator**

As our Vision Works System Support Coordinator, you will maintain the information system we use to produce individual medical records in a manner consistent with medical, administrative, ethical, legal, and regulatory requirements of the Agency. You'll serve as liaison between Community Care, Inc., Vision Works, associated internal/external stakeholders, and state of Iowa agencies. You'll also conduct analysis of processes and statistical information for internal and external stakeholders. We will also expect you to keep current with annual changes and updates to requirements and systems.
